SAY NO TO HIGHER PROPERTY TAXES

We Need Your Help to Fight Higher Taxes!

Join the Inland Empire Taxpayers Association and help defeat attempts to raise our taxes!

The Inland Empire Taxpayers Association is a newly formed committee that is working to defeat all attempts to raise our taxes. We are currently seeking help in the form of volunteer work and monetary contributions in order to defeat Measures G & H, which will appear on the June 6th ballot. If passed, these bond measures, which total over \$783 million, will cost us over \$1.2 billion by the time they are paid off.

These bonds will result in huge increases in our property taxes.

Please send any donation that you can afford. Every penny will be used in the fight against higher taxes.
